Do you ever cry your eyes out during a sad movie?

When I was only five years old, my mother **took** my sister and me to see an afternoon movie. After she **bought** the tickets for us, we **stood** in line **and** then she **went** shopping. We **waited** in line for only a few minutes before the movie started. **However**, as we **were** waiting, a very large bee **stung** my hand. I remember it really **hurt**, **but** unfortunately my mother **was** gone. My sister **was** only seven years old, **so** she **couldn't** do anything to help me. I remember that it **was** a funny movie, **but** I **cried my eyes out** for two hours!
